Croc-Loc Joining Bracket MJI01BRAC
A great innovation to lock modular lounges firmly in place. Simply attach and align the respective components to the underside of the lounges with suitable fixing screws. The Croc-Loc™ has powerful sprung jaws that firmly locate to prevent your furniture from yawning apart. This simple yet effective item is great in reducing scratched floors from slipping.

Dream Glider Bed Bracket MDBB1BEDB
This easy yet effective bed bracket enables you to connect your bed head to either your bed base or the wall. Simply line the two sides up and glide into position.
